**Texas Hold'Em Tournament Bad Beat Jackpot**

14 022

1. The Tournament Bad Beat Jackpot is a prize that is paid out when two or more individuals are involved in a hand where at showdown, quad deuces or better are beaten by a higher ranking hand. When this occurs the total dollar amount posted that day as the Bad Beat Jackpot amount is split amongst all players at the table that the Bad Beat hand occurred. The payout/split of the Bad Beat Jackpot and all other rules governing it are specified within the points of this document.
2. The Tournament Bad Beat shall apply to the game of Texas Hold'em only. A "Bad Beat" hand that qualifies for the jackpot is one where at showdown quad deuces or better is beaten by a higher ranking hand.
3. In order for a hand to be eligible to qualify for a Bad Beat, it must be dealt during any qualifying Texas Hold'em Tournament, Mini or Sit-N-Go.
4. A minimum of four players must be dealt in at the beginning of the hand in order to qualify for the Bad Beat. (Other player minimums may apply.)
5. Only active players at table where bad beat is hit will be eligible for prize payouts. An active player is defined as a player who has chips at the table where the bad beat is hit. Players at other active tournament tables are not eligible.
6. To qualify for the Tournament Bad Beat Jackpot, a player must have four deuces or better beaten. If the winning and losing player has made Four-of-a-Kind or a straight flush, those players must have done so with both hole cards to qualify (example: if a player has four Eights, he/she must have a pocket pair of Eights with two Eights on the board).
7. Both the winning and losing hands must use both of their hole cards to create the highest possible hand. If four Deuces or better are beaten then 100% of displayed Bad Beat Jackpot amount will be paid out as per rule #20.
8. \$1 per player entry will be removed from each tournament prize pool to fund the Tournament Bad Beat Jackpot. Player participation in the jackpot is compulsory. A player cannot opt-out. If a player does not wish to participate in the Bad Beat Jackpot then they will also be excluding themselves from entry into the respective tournament. All stated tournament payouts (i.e. 80% payout) is a

gross payout and not NET the funding of the Bad Beat Jackpot of \$1 per entrant. Actual tournament payback will be fractionally less than 80%.

9. In order for a hand to be eligible for the Tournament Bad Beat Jackpot, the hand must go to a showdown (played to the end, where all cards have been dealt and players have completed betting and show their cards to determine the winner) in order for the jackpot to be awarded. At the time of the possible bad beat all play in the tournament will be paused to identify all possible winners. If a player at the table is all-in or knocked out of the tournament at showdown when the tournament play was halted they too will be eligible to collect.
10. On a daily basis, for each \$1 collected, 80% will be added to the Tournament Bad Beat Jackpot Bank and the remainder (20%) will be held in reserve bank to replenish the Tournament Bad Beat Jackpot, when hit. These two banks will be treated as player's property and held in a separate checking account. The size of the Tournament Bad Beat Jackpot and reserve banks will be posted daily. No more or less than 100% of the Bad Beat Jackpot monies deposited will be allocated for all current and future Bad Beat Jackpots.
11. If a hand finishes with three qualifying hands, the lowest hand will only receive a player's share of the jackpot (e.g. Four Eights, Four Queens and a Queen high Straight Flush are dealt in the same hand. The Bad Beat hand will be the Four Queens and the winning hand will be the Queen high Straight Flush.)
12. Players must play their hands independently. Any discussion of the prize during the playing of the hand may void qualification for the Tournament Bad Beat Jackpot. If any player, whether directly or indirectly involved in the hand, passes information or instructs another on how to act or reveals his/her hand to other players, the Bad Beat Jackpot will be disqualified.
13. Management reserves the right to verify eligibility of all qualifying hands. There will be no recourse if the cards are mucked before surveillance was able to verify the hands and the community cards.
14. Poker Management will not be permitted to reconstruct the hands in any way.
15. In order to collect any Bad Beat Jackpot payout, proper identification will be required.
