GAMES OF CHANCE (GOC)

GAMES OF CHANCE APPLICATIONS

Anyone (charitable organization or operator) who needs to renew a license or obtain a new games of chance license MUST submit the following documents to the NH Lottery Commission:

- A correctly completed application – charitable organization, secondary game operator, primary game operator, game operator employer or GOC facility – along with all supporting documentation.
- A signed and notarized Criminal Record Release Authorization Form (form can be found on our website at: <https://www.racing.nh.gov/licensing/games-chance/documents/chri-request-form.pdf>).
- A money order or check for the license fee made payable to: NH Lottery Commission – Please DO NOT include a \$10.00 temporary badge fee with this total. We are not issuing temporary badges right now due to fingerprinting locations not being open.
- Please DO NOT send payment for State Police or proof of fingerprinting at this time.

When all documents are received and in order, the NH Lottery licensing unit will issue a license which will be contingent upon the individual completing fingerprinting requirements at a future time.

Within 30-days of the termination of the State of Emergency – Executive Order, each applicant MUST complete the fingerprinting requirement (ink card or livescan site form) of the criminal record check. Once the applicant has had their prints taken, all proof of fingerprinting documents will then need to be submitted to the NH Lottery Commission, along with a check or money order in the amount of \$48.25 (made payable to: State of NH – Criminal Records). If an applicant does not meet the 30-day deadline, their license will expire on the 31st day.

Upon receipt of the criminal history results, the NH Lottery licensing unit will either (1) grant full license status for the remainder of the license period for applicants with a clean criminal history, or (2) deem the license expired for all applicants whose criminal history disqualify them for licensure. All applicants that are subsequently denied a license may appeal the decision as permitted by RSA 541-A.
