SECONDARY & PRIMARY GAME OPERATOR APPLICATIONS

Just a quick reminder for any applicants filling out a secondary and/or primary game operator application, the gaming history section is for any history you may have NOT in NH. If you only have gaming history in NH, this section would not apply to you and you will need to put "N/A" in one of the boxes that are in this section. Please do not leave this field blank as your application could be returned to you due to missing information. For secondary game operator applications – gaming history is in section 4, and for primary game operator applications – gaming history is in section 3.

Provide the following information with regard to registrations or licenses held by the applicant as a professional game operator, or other similar positions, in any other state or jurisdiction.			
			Has the license been, or is there pending

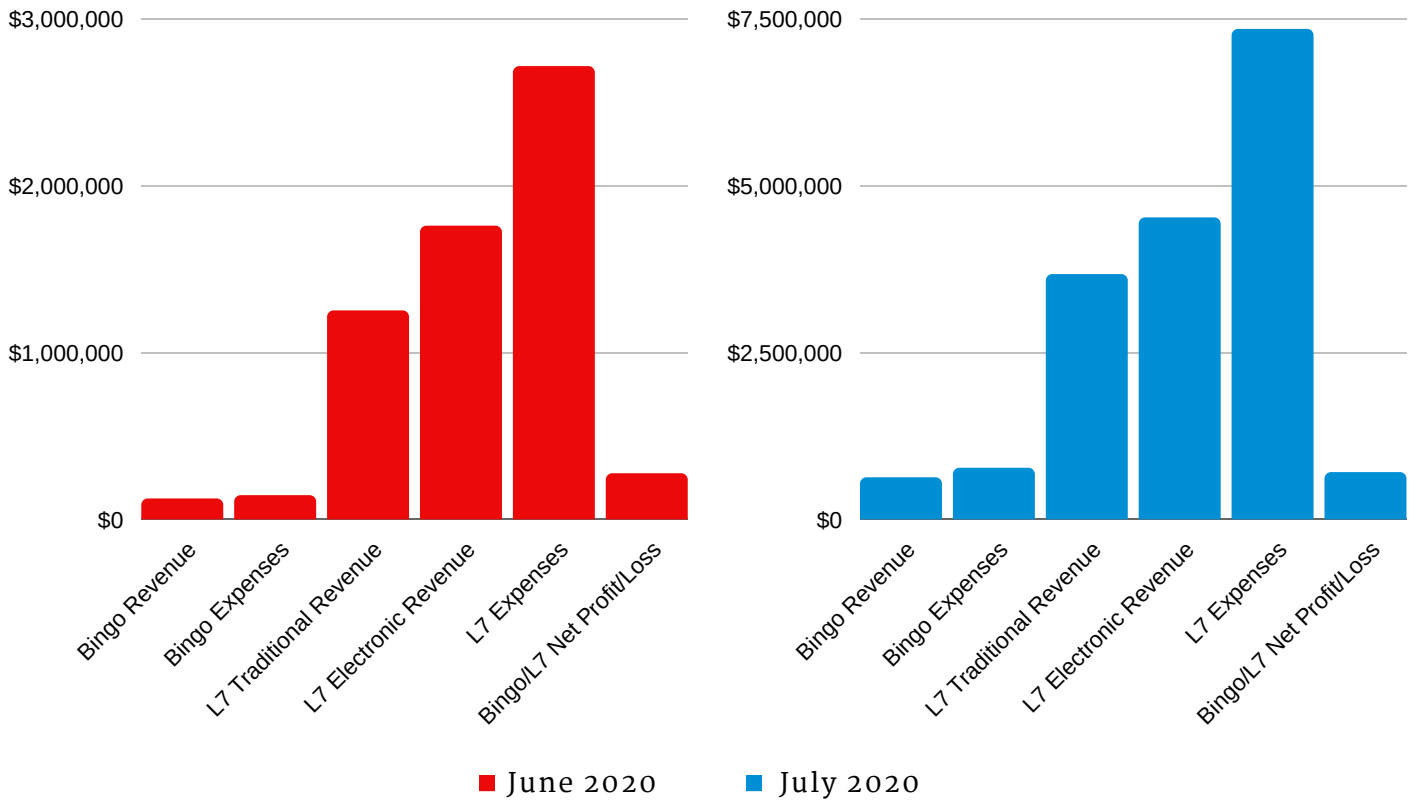

Questions in regards to this topic? Call Britni Halvorsen at (603)230-3110.
