How to Play

To play, the player would pay \$0.50 per ticket and then open the window on the backside to reveal the symbols or numerals. If the symbols inside the ticket match the winning combinations on the ticket front, they are a winner. All instant winners have the cashier feature, which is the total winning amount. Pay all instant winners as tickets are opened and redeemed.

Game Play Instructions:

In addition to instant play, there are 75 blue bingo number hold tickets, B-01 through O-75. There are 15 “Big Dog” holders numbered 01 -15.

Once the game is completely sold out the operator will announce that Big Dogs, serial number XXXXXX, is in play and will use the bingo machine to determine the winner.

TO DETERMINE THE \$100 BINGO NUMBER WINNER

The bingo caller will pull a ball from the console. The first ball drawn will be the winning number. The player holding the ticket with the corresponding blue bingo number will win the \$100 prize.

TO DETERMINE THE \$200 BIG DOG WINNER

The Big Dog winner is determined by the first vertical row to be called on the bingo board (i.e. for Big Dog 1 to win, the numbers B-01, I-16, N-31, G-46 and O-61 would be called prior to any other row being vertically called). The winning big dog number corresponds with the top number of the winning vertical row. There will be only one big dog winner. The numbers are called until a vertical row has been filled.

NOTE: The caller will continue to draw bingo balls until a single vertical row has been filled.

TO DETERMINE THE (POTENTIAL) ROLLING JACKPOT WINNER

Once the deal is completely sold out, open the BIG DOGS tab and announce which big dog holder is eligible to win the rolling jackpot bonus amount. Then, draw balls from the bingo machine to determine the Big Dog winner as described above.

If the Big Dog, as determined by the first vertical row to be filled on the bingo board, is the same as the number under the BIG DOGS tab, then that person will win the Rolling Jackpot Bonus Prize in addition to the \$200 Big Dog Prize. If not, then the rolling jackpot amount is carried to the next deal.

If the deal is not completely sold out, the Big Dogs holders and bingo ball holders will sign their name on the sign up lines. The deal will be sold on the next bingo session (for the specified charity) and played as described above.
