How to Play

COLOR ME LUCKY™ is a seal card game with instant winners and a seal card winner. To play, the player would pay \$0.50 for the ticket and then open the windows on the back side to reveal the symbols. If the symbols inside the ticket match the winning combinations on the front, they are a winner. All instant winners will have a cash payout showing the amount won. There are 3,000 tickets in a deal with 161 instant winners.

Seal Card Instructions

There are 18 HOLD numbers in the set, each identified by a red number 13 (013 through 1713).

Players who receive a hold ticket sign their name on the corresponding sign-up line on the seal card. This ensures that if the game is not completely sold out in one day, the players will receive their winnings. Once the game is completely sold out, the operator will announce the name of the game "COLOR ME LUCKY™" and serial number, and that the game is now in play. Then the operator will open the \$250 seal window. The player holding the number ending in 13 that appeared under the \$250 seal is awarded \$250. The player then picks one of the numbered seals (1, 2, 3, 4, 5 or 6) and the operator opens the seal selected. If "JACKPOT" is revealed when the seal is opened, the player is awarded the BONUS AWARD VALUE (which begins at \$500) in addition to his original \$250. If "JACKPOT" is not revealed, the BONUS AWARD VALUE is rolled over and added to the \$500 BONUS AWARD VALUE contribution of the next COLOR ME LUCKY™ seal card game. The BONUS AWARD VALUE continues to roll over from one game to the next until it is won.
