### How to Play

To play, the player would pay \$0.50 for the ticket and then open the windows on the back side to reveal the symbols. If the symbols inside the ticket match the winning combinations on the front, they are a winner. All instant winners will have a cash payout showing the amount won. There are 2,400 tickets in a deal with 221 instant winners.

"Criss Cross" is a three-tab ticket with six prize levels. Winning combinations are formed by combining two identical "anchor" symbols (BAR) with a third designated winning symbol. Winning symbols (in order of prize PAY OUT VALUE) are a CROWN; a CLOVER; a STRAWBERRY; a PEAR; an APPLE; and a HORSESHOE. Winning combinations appear in a row either vertically, horizontally, or diagonally.

More than one winning combination may appear on any ticket creating multiple winners, the PAY OUT VALUE of which is derived by adding up the individual prize levels. The total prize is represented underneath the tabs of a winning ticket via Douglas Press' "Card Pays" feature.
