How to Play

This is a standard Seal Card game encompassing hold tickets, which qualify for a seal prize and instant win tickets. All instant winners have the cashier feature, which is the total winning amount. The "hold" tickets are identified by the word "hold."

Sell all tickets in the deal for .50 cents each. Pay all instant winners as tickets are opened and redeemed. There are two types of instant win tickets in this game: tickets with winning instant symbol combinations as shown on the ticket front, and tickets with a latex scratch under the top window. The instant win tickets with the scratch are clearly marked with **INSTANT WINNER** in the top and bottom windows, and the following in the center window: **SCRATCH YOUR EASTER EGG TO DETERMINE YOUR PRIZE!**

Seal Card Instructions

Also, this game has 18 HOLD tickets that show a number ending in 13 (013 through 1713) and the word HOLD. Players holding these tickets are eligible to win the Seal Prize. NOTE: If the deal is not completely sold out in one session, all "13 Holders" must place their name on sign-up sheet. Once all tickets in the deal have been sold out, open window on the seal. The window will reveal winning numbers.
