Seal Card Open

This is a standard seal card game encompassing hold tickets, which qualify for a seal prize and instant win tickets. All instant winners have the cashier feature, which is the total winning amount. The "hold" tickets are identified by the word "hold."

How to Play

To play, the player would pay \$0.50 for the ticket and then open the five windows on the backside to reveal the symbols. If the symbols inside the ticket match the winning combinations on the front of the ticket, they are a winner. All instant winners will have a cash payout showing the amount won. There are 1,800 tickets in a deal with 212 instant winners.

Seal Card Instructions

In addition, there are 11 "Red 13" HOLD tickets in the deal (013 through 1013), each identified by a red number 13. Players holding a "Red 13" HOLD ticket sign their name on the corresponding sign-up line on the seal card. This ensures that if the game is not completely sold out in one day, the players will receive their winnings. Also, there are 4 "Flamin" symbols in the deal. Each "Flamin" symbol ticket contains a unique "Flamin" slot style symbol (7, Cherries, Dollar Sign, Gold Bars) and a standard side caption (WIN ON SEAL CARD!). Players holding "Flamin" symbol tickets sign their name on the corresponding sign-up line on the seal card.

Once the game is completely sold out, the operator will announce the name of the game "FIRE MOUNTAIN" and serial number, and that the game is now in play. The operator will open the four "FLAMIN" symbol seals in the "SUPER SEAL SECTION" of the seal card and award the prizes revealed to the players holding the corresponding "FLAMIN" 7, cherries, dollar sign and gold bars tickets. The operator will then open the "\$25" seal windows to reveal three numbers ending in 13. These are the only numbers that qualify for continued play on the seal card. Each player holding a ticket with a number ending in red 13 matching a number revealed in a seal window is awarded a \$25 prize; Then the operator will open the "\$50" seal windows to reveal two numbers ending in 13. Each remaining player holding a ticket with a number ending in red 13 matching a number revealed in a seal window is awarded an additional \$50 prize. Finally, the operator will open tile "\$225" seal window to reveal one number ending in 13. The only remaining

player 'holding the ticket with the number ending in red 13 matching the number revealed in the seal window is awarded an additional \$225 prize and the game is over.
