Bingo Event Instructions

In addition, there are 15 DOWN-ROW “PIG” HOLD tickets in the deal (1 through 15). Each “PIG” HOLD ticket is identified by a number, a running pig graphic and the word “HOLD.” Also, there are 75 “PIGLET” HOLD tickets in the deal (1 through 75). Each “PIGLET” HOLD ticket is identified by a number in a circle, a piglet graphic and the word “HOLD.” All players holding “HOLD” tickets sign their name on the corresponding sign-up line on the back of the flare card. This ensures that if the game is not completely sold out in one day, the players will receive their winnings.:

Once the game is completely sold out, the operator will announce the name of the game “PIG RUN” and serial number, and that the game is now in play. The operator will then draw balls from the bingo machine. The first ball out determines the winning PIGLET number. The player holding the “PIGLET” ticket with the number matching the number of the first ball out wins the \$100 prize.

The PIG winner is determined by the first vertical row to be completely called on the bingo board. The player holding the “PIG” ticket with the number matching the number at the top of the first completed vertical row on the bingo board wins the \$400 prize. For example, as shown in the sample below, if B-13, I-28, N-43, G-58 and O-73 are called, completing a vertical row on the bingo board, the winning “PIG” holder is PIG number 13. The player holding the ticket with PIG number 13 is awarded the \$400 prize and the game is over.

PIG prize will be paid out as follows: 1 @ \$400

PIGLET prize will be paid out as follows: 1 @ \$100
