How to Play

The player would pay \$0.50 for the ticket and then open the 5 windows on the backside to reveal the symbols. If the symbols inside the ticket match the winning combinations on the front, they are a winner. Pay all instant winners as tickets are opened and redeemed.

Seal Card Instructions

In addition to the instant winners, there are 9 sign up tickets, Red 13's (013, 113, 213, 313, 413, 513, 613, 713, & 813) that have the word HOLD printed on them. All players with one of these Red 13 tickets should sign their name on the corresponding line on the seal card's register. Once the game is completely sold out, the operator will open the die cut window on the seal card. There will be 3 Red 13 HOLD numbers under the seal. 1 Red 13 will be identified as winning \$200, and then the Red 13 number 1 higher than the \$200 winning number will be identified to win \$25, and the Red 13 number 1 lower than the \$200 winning number will be identified to win \$25. The players whose HOLD tickets match the Red 13's exposed under the seal will win those amounts specified. Total seal card prize payout is \$250. The maximum amount one player can win on the seal card is \$200.
