### How to Play

To play, the player would pay \$0.50 for the ticket and then open the three windows on the backside to reveal the symbols. If the symbols inside the ticket match the winning combinations on the front of the ticket, they are a winner. All instant winners will have a cash payout showing the amount won. There are 1,660 tickets in a deal with 163 instant winners.

### Bingo Event Instructions

In addition, there are 15 DOWN-ROW "REINDEER" HOLD tickets in the deal (1 through 15). Each "REINDEER" HOLD ticket is identified by a number in a circle, a reindeer graphic and the word "HOLD." Also, there are 75 "SANTA" HOLD tickets in the deal (B1 through O75). Each "SANTA" HOLD ticket is identified by a number in a circle, a Santa graphic and the word "HOLD." All players holding "HOLD" tickets sign their name on the corresponding sign-up line on the back of the flare card. This ensures that if the game is not completely sold out in one day, the players will receive their winnings.

Once the game is completely sold out, the operator will announce the name of the game "REINDEER RACING 2" and serial number, and that the game is now in play. The operator will then draw balls from the bingo machine. The first ball out determines the winning SANTA number. The player holding the "SANTA" ticket with the number matching the number of the first ball out wins the \$100 prize.

The REINDEER winner is determined by the first vertical row to be completely called on the bingo board. The player holding the "REINDEER" ticket with the number matching the number at the top of the first completed vertical row on the bingo board wins the \$399 prize. For example, as shown in the sample below, if B-13, I-28, N-43, G-58 and O-73 are called, completing a vertical row on the bingo board, the winning "REINDEER" holder is REINDEER number 13. The player holding the ticket with REINDEER number 13 is awarded the \$399 prize and the game is over.
